

NOTICE TO ROTTNEST ISLAND CHARTER PASSENGER VESSEL OPERATORS
regarding Charter Vessel Management Trial for the 2009/2010 season

Following the completion of the three year trial of the Charter vessel log-on system, the RIA has conducted an evaluation survey to assess its successful implementation, opportunity to modify or abandonment of the process. The outcomes of that survey have been adopted by the RIA and are currently being prepared for inclusion into legislation.

This being the case, the RIA requests that you continue to engage in the log-on process when accessing the Rottnest Reserve throughout the 2009/2010 boating season. Your involvement in this system is greatly appreciated and provides the RIA with tangible data to assist with future management strategies. You will be advised when the log-on system legislation process is finalised.

The Charter Vessel Operators application for the 2009/2010 season is attached. Please do not hesitate to contact the Marine Administration office on 9432 9320 should you wish to discuss this or any other matter in relation to Charter vessel operations within the RIA Reserve.

ROTTNEST COMMERCIAL CHARTER PASSENGER VESSEL LOG-ON PROCEDURE

Following application and payment of fees with the RIA you will receive a green charter sticker for the season. Prior to each visit please phone and register your Rottnest trip details via the RLSSWA Call Centre (avail 24hours) on:
