GABBI KARNINY BIDI

Discover the Salt Lakes — 9.5 km loop, approximately 3–4 hours

- 2 **Lake Baghdad** — Stop to watch the birds dancing on the Salt Lakes. These lakes have been recognised as Wetlands of National Importance, and as an Important Bird Area (IBA) for seabirds.
- 3 **Lakes Boardwalk** — Experience the illusion of walking on water on the new boardwalk. The boardwalk safeguards the significant samphire communities below.
- 4 **Little Parakeet Bay** — Kick off your shoes and paddle in the calm waters of Little Parakeet Bay. The beautiful clear turquoise colour is breathtaking.
- 5 **Geordie Bay** — Stop for refreshments at Geordie Bay or continue along the trail. There is a complimentary shuttle bus into the settlement from here. Check the bus stop for shuttle times.
- 6 **Longreach Bay** — Continue your walk along the beautiful Longreach Bay to The Basin, one of the island's most popular swimming spots. Why not try and catch Pinky Beach at its finest — sunset!
