

How do you apply?

To apply for a mooring site licence under Regulation 20 of the *Rottneſt Island Regulations* 1988 ("the Regulations") please complete the current waiting list application form. Return it to our office with the administration fee and a full copy of the vessel's current registration papers from the WA Department of Transport showing your name as a owner.

To assist you in complying with the Regulations, the main requirements relating to applications and mooring site licences are summarised in this information sheet, the waiting list application form and the current Terms and Conditions. A copy of both the Act and the Regulations are available on our website. If you have any queries in relation to this application, please contact our office.

Who may apply?

Under Regulation 20(3)(b), to apply for a mooring site licence you must be an individual whose:

- principal place of residence is within Western Australia;
- name appears on the electoral roll as an elector under the *Electoral Act* 1907;
- name is on the certificate of registration of the vessel nominated in this application as the owner of that vessel, or who produces evidence of ownership to satisfy the Rottneſt Island Authority (RIA);
- is the owner of at least 25% of the net worth of the vessel nominated in the application;
- does not already have an application recorded on the waiting list; and
- does not have another mooring site licence.

What type of vessel can be nominated?

Under Regulation 19 and 20(3)(d), the vessel nominated in your application must:

- not be nominated in any other application or be a licensed vessel or an additional vessel for any other mooring site licence;
- have a registered length of at least 6.4 metres; and
- be a sailing vessel or have its own form of self propulsion capable of achieving a speed of 5 knots;
- have a Hull Identification Number (HIN) at time of mooring licence allocation.

You can only nominate one vessel as your nominated vessel. However, after you have been granted a mooring site licence, you may apply to have other vessels owned by you registered to the mooring site under Regulation 27 as additional vessels. Where you are joint owner of the vessel nominated the waiting list application, you must own at least 25% of the net worth of that vessel.

What happens if your vessel or contact details change?

Under Regulation 20(7), if any of your personal contact details or vessel details contained in your application change you must advise the RIA in writing.

Should you sell your vessel you must advise the RIA in writing as soon as practicable and you have 6 months from the registered date of the vessel transfer to lodge required suitable new vessel details with the RIA to retain your waitlist application. This also applies once you become a mooring site licensee.

Nominated bay

Under Regulation 20(3)(e) you must nominate one preferred mooring area only. Please choose your preference carefully as it **cannot** be changed once your application has been processed.

Annual renewal - waiting list confirmation

The RIA will send you an annual confirmation of your current waiting list position in June each year. To maintain your waiting list application you will be required to complete the applicable details, sign the form and return it to our office within the specified timeframe. Should your annual confirmation not be received by RIA by the due date, your waitlist application will be cancelled.

Mooring site licence Terms and Conditions

A mooring site licence is offered to you under the RIA standard mooring site licence Terms and Conditions. If you choose to accept the mooring site offered to you, you will be bound by these Terms and Conditions and the Act and the Regulations. All renewals of a mooring site licence will be on the Terms and Conditions current at the time. Current

Terms and Conditions are available on request and are listed on our website. Please make sure that you carefully read and understand them.

How your application be dealt with

Mooring site licences are allocated under Regulation 22. Once your application has been processed, you will be placed on the waiting list for a mooring site licence in your preferred mooring area. The waiting list is arranged in order of priority by date and time of application.

You may contact our office at any time to confirm your current position of your application on the waiting list for your selected bay. A copy of the waiting list is also available for inspection during office hours.

When an appropriate mooring site becomes available (determined by reference to swing room, depth and the specifications of your nominated vessel) a mooring site licence will be offered to you. The offer will be sent to the contact address contained in your application form. The Authority will provide you with the contact details of the relinquishing licensee to allow you to negotiate the purchase of the existing mooring apparatus on the site. You are not obliged to purchase the apparatus and instead you may wish to install a new mooring. However, the mooring allocation cannot be finalised until disposal of apparatus is settled in writing from both parties.

New mooring site licence offers are open for 14 days. If you accept the offer, you will need to provide documentation including a copy of the current registration and insurance papers for your nominated vessel/s. An adhesive sticker for the licensed vessel will be sent to you on completion of licence requirements. The mooring site licence will be conditional upon you providing a current mooring inspection report to us within 28 days of the offer. You and the RIA may also allocate authorised users under the Shared Mooring System to use the site under Regulation 31.

If for whatever reason you do not accept the offer within this time, the mooring site licence will be offered to an alternative waitlisted applicant. If you do not respond or decline the offer of a suitable mooring, your name will be removed from the waiting list. You may reapply at any time however you will not maintain your original position.

Maintenance of the mooring apparatus

It is important to note that under the Regulations, the maintenance of the mooring to specifications set by the RIA will be your responsibility and at your cost once you are allocated a mooring licence. You will be required to submit a mooring inspection report from a mooring contractor every 12 months, certifying that the mooring is safe and suitable for the vessels registered to the site at all times.

In keeping with our commitment to the valuable seagrass beds found in the Rottnest Island Reserve, all mooring apparatus will have to be of an environmentally friendly and low-impact design specified by us. You will be responsible for maintaining the mooring apparatus at your cost to meet the current RIA specifications.

You will note that under the Regulations, the mooring is entirely your responsibility and you will be responsible for maintaining the apparatus, and for any damage that occurs whilst anyone is using the mooring. These requirements allow us to continue to provide members of the public within the Shared Mooring System access to moorings sites within the Rottnest Island Reserve.

The Rottnest Island Regulations

Whilst you are within the Rottnest Island Reserve, you will also be bound by the *Rottnest Island Act 1987* ("the Act") and the *Rottnest Island Regulations 1988* and any amendments. The Regulations contain requirements relating to applications and mooring site licences, and the terms that are referred to in this application and in our standard Terms and Conditions are defined in the RIA Regulations.

Marine Administration

Rottnest Island Authority

P O Box 693 FREMANTLE WA 6959

Ph: 9432 9320; Fax: 9432 9301; moorings@rotnnestisland.com; www.rotnnestisland.com

This is the application form to be placed on a waiting list for a Rottnest Island Mooring Site Licence. Please submit the completed form with a copy of your nominated vessel's DoT registration certificate and the application fee (section F) to the Marine Administration office.

Upon approval and processing of your application, your name will be placed on the waiting list for the nominated bay below and you will be sent confirmation of your application and current position.

You can confirm your current position on the waiting list at any time by contacting our office, and you will also be sent an annual renewal confirmation in June each year, which must be completed and returned to retain your waiting list application.

SECTION A – NOMINATION OF PREFERRED MOORING AREA

By making this application, you understand that if the RIA makes an offer of a mooring site, it will do so on the basis of the information provided in your application, and you will be bound by the *Rottnest Island Act 1987*, the *Rottnest Island Regulations 1988* and the RIA Terms and Conditions applicable to mooring site licences.

There are eight mooring areas available. Please **choose only ONE mooring area.**

Preference **cannot** be changed without losing your original application date.

I hereby apply to be placed on the waiting list to be offered a mooring site licence within the mooring area below:

- | | |
|--|---------------------------------------|
| <input type="checkbox"/> Catherine Bay | <input type="checkbox"/> Geordie Bay |
| <input type="checkbox"/> Longreach Bay | <input type="checkbox"/> Marjorie Bay |
| <input type="checkbox"/> Narrow Neck (Rocky Bay) | <input type="checkbox"/> Porpoise Bay |
| <input type="checkbox"/> Stark Bay | <input type="checkbox"/> Thomson Bay |

SECTION B - DETAILS OF APPLICANT

Full name of applicant (applications can only be in one individuals name and are not transferable)

_____ **Date of Birth** ____ / ____ / ____

I am currently registered on the **WA Electoral Roll** in the **ELECTORATE** area of: _____
(you must be listed to be eligible to apply for a mooring site licence)

Residential address _____

(applicants principal place of residence must be in the WA to be eligible for a Rottnest mooring site licence)

_____ **Postcode** _____

Postal address _____

(leave blank if same as Residential address)
