## Wedding and Function Application Form

Rottnest Island is fast-becoming a hub for weddings and functions. When planning your function it is important to note that the Island is an 'A Class' nature reserve and all weddings and functions require approval from the Rottnest Island Authority (RIA). The RIA, upon receipt of a completed application, reserves the right not to issue a permit for any reason. Any information regarding the availability or costs of venues given prior to the issue of a permit is an indication only and is not an assurance that a permit will be issued.

The RIA shall only issue a permit when all relevant documents and payments are received by the Authority within the stated time frame (ALL APPLICANTS MUST BE OVER 18 YEARS OF AGE).
